YOUR WEAPON FIRES ON ITS OWN. Just focus on positioning, dodging and using your Skill.

HOW A RUN WORKS

~15 MIN

1 SURVIVE 3 MIN

Enemies never stop coming. Defeated ones drop **XP** and **Coins**.

Every level up, the game **pauses** and you pick **1 of 3 cards**: upgrades for your **Skill**, your stats or a new weapon.

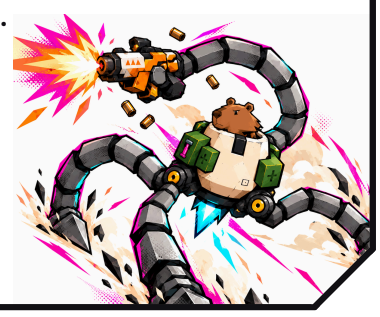

Low on health? Find a Healing Shrine.

2 BREAK 1 MIN

Every so often the waves stop. Clear the enemies left until **AREA SECURED** shows up. Then it's time to:

- Buy weapons at the **Store**
- Add weapon **Perks** at the **Blacksmith**
- Risk a **Cursed Rift** for rewards

3 EXPLORE

★ *MORE REWARDS*

The map hides secrets. Go off the beaten path and hunt them down!

CHALLENGES

Races against the clock or an extra round of combat. Find one and start it.

RIFT MUTATIONS

Clear a **Challenge** to earn a rare reward that changes your whole run.

CHESTS

Scattered across the map. Open the **Map** (M / R2) to find them all.

QUICK TIPS

KEEP MOVING

Out of health? The run is over.

USE YOUR DASH

Dash goes through attacks and over gaps.

SWITCH HEROES

Every hero has a unique **Skill**: try another one next run.

FIRST TIME?

Play the **Training Zone** from the menu (2 min).
